MAP 1
Cross-Border Trade Routes in Tunisia

- 1506 kilometers of borders that Tunisia shares with its neighboring countries Algeria and Libya
- 1033 kilometers of borders with Algeria
- 473 kilometers of borders with Libya
- 1148 kilometers of coast line

tasks

- ❖ Controlling monitoring and securing land border ;
- ❖ Counter border crimes :Terrorism ,smuggling ,human trafficking , and irregular migration ;
- ❖ Executing advanced alarm operation (reconnaissance , monitoring , ambushes) ;
- ❖ ensure the security and protection of the property of border residents, and vital facilities ;
- ❖ Cooperating with different forces in order to secure land border ;
- ❖ Contributing to the rescue operations and environmental protection ;
- ❖ Land border intelligence.

The Tunisian strategy for border control is based on an integrated border management and control strategy with coordination and information sharing at the heart of this strategy. This strategy has the objective of bringing together the different actors and stakeholders and optimizing their information sharing and coordination mechanisms and mechanisms at two levels:

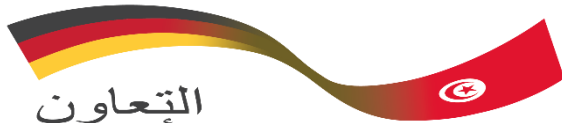

internal

 **Federal Ministry
Republic of Austria
Interior**

**MINISTRY OF FOREIGN AFFAIRS
OF DENMARK**

التعاون
الألماني

DEUTSCHE ZUSAMMENARBEIT
