# « Smart Traveller » App

Programme d'Appui au Gouvernement Tunisien  
dans le domaine de la Gestion Intégrée des Frontières

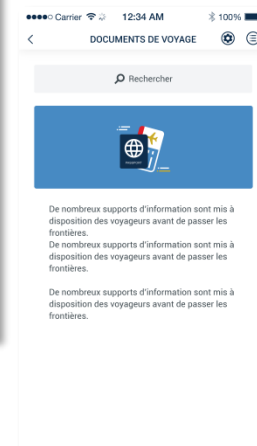

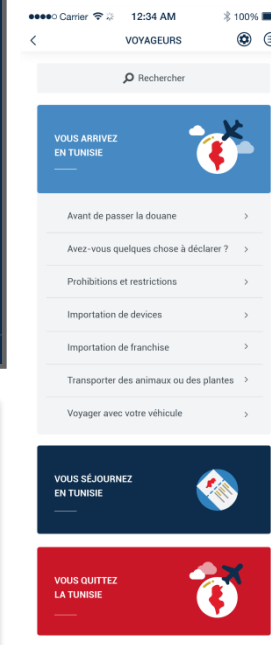

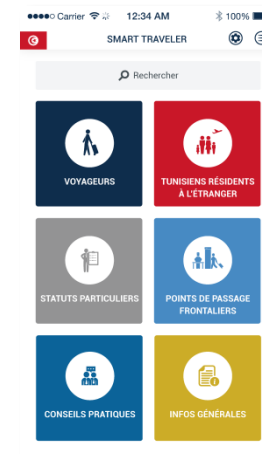

Un projet financé par l'Union européenne et la Confédération suisse

Référence : ENI/2015/362-394

## « Smart Traveller » App

- Result of detailed documentation on national procedures at BCP's
- Means for information to the larger public
- Tool for transparency of procedures
- Basis for additional interactive features and path for facilitation at pilot BCP's

## Joint Patrolling between National Guards and Customs: Putting the Tunisian National Concept of IBM into practice

- Border Guard (National Guard) and the Customs Guard are mandated to monitor Tunisian borders, seek to enhance the effectiveness of their collaboration by pooling together their expertise and know-how as well as mutual access to equipment

- Series of workshops dedicated to the practical aspect of inter-agency cooperation in the field of monitoring and securing land borders - first step towards concrete implementation of specific principles outlined in the inter-agency chapter of the Tunisian National Guidelines for IBM
